The Authorized Protective Eyewear List (APEL) allows PEO Soldier to offer more choices in protective eyewear, which improves Soldier acceptance and use of protective eyewear. The APEL for Ballistics Protective Eyewear can be found at <https://peosoldier.army.mil/equipment/eyewear/>.

Disclaimer: Any use of the APEL list for publicity, advertising, or sales shall not state or imply that the product or the process(es) is the only one of that type qualified, or that the U.S. Army in any way recommends or endorses the manufacturer's product in preference to other qualified products on the APEL.
