

## The New CMCs and CSCs

The command master chief and senior chief boards met Jan. 29 and selected the following active, Reserve and full-time support senior enlisted sailors for advancement. All selectees must complete both the Senior Enlisted Academy and the command master chief/chief of the boat courses before being assigned to a billet as a CMC or CSC. All active-duty selectees will change ratings into the command master chief or senior chief ratings. Full-time support and and selected reservists do not change ratings and remain in their source ratings.
